## **INDEPENDENT AUDITORS' REPORT**

To the Board of Directors  
**Efforts of Grace, Inc.**

### **Report on the Financial Statements**

We have audited the accompanying financial statements of **Efforts of Grace, Inc. (EGI)** (a nonprofit organization), which comprise the statement of financial position as of December 31, 2014, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

**(CONTINUED)**

**Auditors' Responsibility, Continued**

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **Efforts of Grace, Inc.** as of December 31, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated May 29, 2015 on our consideration of **Efforts of Grace Inc.**'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe

the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering **Efforts of Grace, Inc.**'s internal control over financial reporting and compliance.

**Other Matter**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Compensation, Reimbursements, Benefits and Other Payments to Chief Executive Director is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

One of the most visible projects of **EGI** is the operation of the Ashe' Cultural Arts Center (Ashe' CAC). The mission of Ashe' CAC is to use art and culture to support community development. Ashe' CAC was created in 1993 for the purposes of producing, creating, and encouraging art, images, and performances by and about African-Americans that emphasize their powerful contributions to the welfare of the community. **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

**Principles of Accounting**

The financial statements are prepared on the accrual basis and in accordance with accounting principles generally accepted in the United States of America. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**EFFORTS OF GRACE, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS, CONTINUED**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED:**

Basis of Reporting

In accordance with the provisions of FASB Accounting Standards Codification 958, *Not-for-Profit Entities*, which establishes standards for external financial reporting by not-for-profit organizations, **EGI** classifies resources for accounting and reporting purposes into three net asset categories, which are unrestricted, temporarily restricted and permanently restricted net assets according to externally (donor) imposed restrictions.

A description of the three net asset categories is as follows:

Unrestricted net assets include contributions not subject to donor-imposed stipulations. The revenues received and expenses incurred in conducting the mission of **EGI** are included in this category.

Temporarily restricted net assets include realized gains and losses, investment income, gifts and contributions for which donor-imposed restrictions have not been met.

Permanently restricted net assets are contributions stipulated by the donor-imposed restriction to be invested in perpetuity and only the income be made available for program operation in accordance with the donor restrictions. Such income is reflected in temporarily restricted net assets until utilized for donor-imposed restrictions.

At December 31, 2014, **EGI** did not have any permanently restricted net assets.

Property and Equipment

Property and equipment are recorded at cost, if purchased, or at fair market value at the date of the gift, if donated. Additions, improvements and expenditures of \$1,000 or greater that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred.

**EFFORTS OF GRACE, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS, CONTINUED**

---

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED:**

Depreciation of buildings, automobiles, furniture, fixtures and equipment is computed as follows:

<u>Description</u>	<u>Method</u>	<u>Estimated Useful Life (years)</u>
Furniture and equipment	Straight-line	3 to 7
Buildings	Straight-line	30
Automobiles	Straight-line	5

**Support and Revenues**

Contract revenues and revenues from federal grants structured as exchange transactions are recognized when earned.

Contributions are recognized upon receipt or when the donor makes a promise to give **EGI** that is, in substance, unconditional. Grants (if considered nonexchange transactions) and contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any restrictions.

Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Deferred revenues arise when resources are received by **EGI** before it has a legal claim to them. In subsequent periods, when **EGI** has legal claim to the resources, current period revenue is recognized and deferred revenue is reduced. **EGI** had no deferred revenues at December 31, 2014.

Therefore, no provision for income taxes is made in the accompanying financial statements. Date of Management's Review of Subsequent Events

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL  
OVER FINANCIAL REPORTING AND ON COMPLIANCE  
AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS

---

To the Board of Directors  
**Efforts of Grace, Inc.**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of **Efforts of Grace, Inc. (EGI)** as of and for the year ended December 31, 2014, and the related notes to the financial statements, and have issued our report thereon dated May 29, 2015.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered EGI's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of EGI's internal control. Accordingly, we do not express an opinion on the effectiveness of EGI's internal control.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL  
OVER FINANCIAL REPORTING AND ON COMPLIANCE  
AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS

---

(CONTINUED)

**Internal Control Over Financial Reporting, Continued**

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying schedule of findings, we identified a certain deficiency in internal control that we consider to be material weakness.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiency described in the accompanying schedule of findings as item 2014-01 to be a material weakness.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether EGI's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. This report is intended for the information and use of the Board of Directors, management, the Louisiana Legislative Auditor, and state awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties. **2014-01 - Revenue Recognition**

**Criteria**

Management is responsible for establishing and maintaining internal control to achieve the objective of effective financial reporting. Controls must provide reasonable assurance that all transactions and balances that should have been reported have been included and that no unauthorized transactions or balances are included.

FASB ASC 958-605, *Revenue Recognition* requires that for revenue from grants structured as non-exchange transactions, the full amount of the award must be recognized as income in the period in which the legally enforceable pledge (such as the executed grant agreement) is received by the organization, even if the donor has delayed payment or restricted the use of funds until a future reporting period; no revenue may be deferred. As a result, contributions are recorded immediately either as an increase in unrestricted net assets, temporarily restricted net assets, or permanently restricted net assets, depending on the nature of the donor restrictions, if any.

**Condition**

During our audit we noted a significant deficiency in the controls over revenue recognition. **EGI** did not properly recognize earned income related to restricted contributions and grants structured as non-exchange transactions and an adjustment to grant revenues and accounts receivable for the year ended December 31, 2014 was required. We also noted that purpose and time restricted grants were not properly recorded as temporarily unrestricted net assets, also resulting in an adjustment to temporarily restricted net assets.

**2014-01 - Revenue Recognition, Continued**

**Effect**

At December 31, 2014, temporarily restricted net assets were understated by \$1,050,000.

**Cause**

EGI misinterpreted the guidance under FASB ASC 958-905 as it pertains to grants structured as non-exchange transactions. In addition, EGI does not have a policy for treatment of unspent balances of restricted contributions at year end.

**Recommendation**

We recommend that EGI review FASB ASC 958-605 and revise its fiscal policies to properly address the treatment of unspent balances of restricted grants, and to include the treatment of income recognition from multi-period grants structured as non-exchange transactions.
